### **Notice 2 : Internship programme for sem-2 (2016)**

It is mandatory for the interns to visit the co-operating schools (as assigned to the) daily (except school holidays). Though the classes in the schools are temporarily suspended, but there is no problem in visiting the schools and signing the attendance sheet. Otherwise the days of absence in schools will be treated as their leaves in college record. In addition, they may also start the record keeping activity, lesson plan preparation etc .in the schools as per the permission of the Head of the Institutions. Principal of the college or mentor teachers may supervise the schools at any moment without prior intimation. During their visit, absence of interns in the school premises will be treated as a serious offense. This absence may influence their sem-3 internship performance adversely (for this sem 2 activity being the preparatory stage of sem -3 activity).
